Brian E. Travis

OBJECTIVE To obtain a position with a progressive oilfield drilling or service company whereby I could contribute to that organization, and grow professionally, by utilizing the skillset acquired in business and operations management.

EDUCATION Bachelor of Science Mine Engineering-West Virginia University .
Numerous American Management Association training
Classes/seminars focusing on communication skills and
presentation skills.

<u>PROFESSIONAL</u>	Tensar Corporation	1990-92	Market Manager
	Strata Products, USA	1992-94	Market Manager
	Mine Technologies, Inc	1994-96	GM
	Landscape Technologies, Inc.	1996-10	GM
	DSI Underground Systems	2010-11	B.D. Manager-Coal

PROFESSIONAL The bulk of my experience is in operations management and jobsite/project management including business planning, scheduling, estimating, budgeting/forecasting and workforce supervision. Team building and bringing projects in on time and under budget in a safe and fair work environment.
